

Leviathan takes you thirty-three seconds into the future, where pop videos inspire crazy fantasies in the minds of ordinary people. Your objective is to seek out and destroy enemy ships in three excitingly different planet zones: MOONSCAPE (LEVIATHAN MASTER PROGRAM); CITYSCAPE (LANDSCAPE 1); GREEKSCAPE (LANDSCAPE 2).

Each zone must be crossed within the allotted time and if successful, select the next skill level or cross to the next zone, if you dare! You have limited fuel, unlimited missiles, 5 lives plus a bonus life every 5000 points. Extra fuel can be collected by landing on the arrows near the fuel pods in the CITYSCAPE, and in all three 'SCAPES you can shoot the spinning FUEL CUBES in the space sectors.

Watch the diagonal arrows flashing green to guide you in the right direction to find
